

## Margarita Machine Rentals Dallas

---

Welcome to Margarita Express! We offer Dallas Margarita Machine Rentals, Fort Worth Margarita Machine Rentals, Margarita Mixes and Frozen Margarita Recipes. If you are in the DFW Metroplex we are for you! Don't plan your next BBQ or party without taking a look at what we offer. Great by the poolside and refreshing on those hot days, our Margarita Machine Rentals and Frozen Margarita Mixes are perfect for any event, no matter how big or small.

No matter what your favorite Margarita Recipe might be, let our Margarita Machines do the work while you relax and enjoy the company around you. Our Margarita Machines and Frozen Margarita Mixes make your party more enjoyable for both you and your guests.

As long as you are in the Metroplex, the cost of our rentals includes the delivery, set-up and pick-up of the Frozen Margarita Machine.

### Price Listing

Margarita/Ice Cream Machines: \$150.00

Second Machine/Second Day: \$110.00

Third Machine/Third Day: \$85.00

One Machine/One Week: \$275.00

Monthly Rate: \$250.00 per week

8000 Watt Generator/Trailer: \$150.00 per day

This also includes the scheduled delivery, set-up, and the pick-up, as long as your location is in the Metroplex and there are no stairs. Due to the physical size of the margarita machine we cannot take stairs or go around the house unless there is a sidewalk or the surface is hard, smooth, level, and no tall grass. Rolling the machine through the house will not damage or mark the floor, anymore than walking on it. We will pickup the machine the next day per our schedule, there will be an additional charge for other arrangements.

### Frozen Margarita Mix in Southlake

The margarita mixes are \$15.00 dollars and the customer provides the tequila (we recommend putting in 2 of the 1.75 liter bottles). Each mix will make 5 gallons or 71 – 9 oz drinks.
